AUSTY LEE (李振邦)

在香港這片美麗的土地所孕育出的設計師 Austy Lee，既是設計師本人，亦是同名設計師品牌。匠心獨具的設計，包羅永珍的設計主軸，稀有寶石的運用，都是他受珠寶世界矚目的原因。

孩提時代起他便對藝術、潮流服裝、歷史，和設計產生濃厚的興趣，這對他走上珠寶家及珠寶設計師的道路有莫大裨益。

Austy 多年來參與多項國際設計大賽並贏得各項大獎。之後也成為了設計品牌 Wendy Yue 旗下首席珠寶設計師。許多政商名流及荷里活明星也都佩戴過他的設計。此外，他的作品也多次刊登在國際知名雜誌及網站。

本次華藝國際 (香港) 秋拍呈現了 Austy Lee 珠寶作品中最為經典的名為 “When Jewellery is Psychedelic Art” 主題系列珠寶，迷幻主旨大量出現在他的設計當中。宗教、新世紀、影象、以及潮流，都刺激著他對珠寶的想像。他的風格千變萬化，或工業風，或朋克，或大膽創新，或文藝，或現代，或色彩繽紛。他熱衷運用各式各樣鮮豔的，獨特稀有的寶石，從他的珠寶作品當中，可以窺見他對設計細節的敏銳，和對寶石的熱情，以及一件又一件特立獨行、大膽前衛的珠寶，帶給這個世界一些別樣的色彩。

Austy was born and educated in Hong Kong. He is a designer and also an eponymous brand of high jewellery. He is recognised for his excellent workmanship, design theme and the use of rare gemstones.

Since childhood, Austy has very strong interests in art, fashion, history and design, which hugely benefits him on paving his way as a jeweller and designer.

Austy participated in numbers of national and international design competitions. Later in Austy's career, he worked as a Chief Designer for Wendy Yue. His designs are worn by Hollywood and international celebrities and famous people around the world. His works have also been published in many international magazines and websites.

This autumn, Holly's International(HK) is pleased to offer Austy's own brand of fine jewellery collections, with the theme of “When Jewelry is Psychedelic Art”. Austy's works involve a lot about psychedelic patterns. His imaginations of jewelries are based on religions, new age, graphic and fashion. His styles are industrial, pop-punk, edgy, strict, bold, cultural, sexual current, contemporary, symbolic and colourful. He likes to apply in his jewelleries a lot of colourful and rare gemstones and carved/engraved materials. His level of involvement and acute design instinct are reflected in his designs.

2097

紐約藝術家丹尼爾·阿瑟姆在過去十年的職業生涯一直令人矚目，其樹立的聲名不僅僅侷限於任何一個方向或領域，更是觸及藝術世界的每一端。其創作的發人深省和引人注目之作品中，策劃了存在於藝術、建築以及表演之間的多方面展現，通過多種媒介審視我們生活中的世界。將他的作品連結在一起的一條線索不可避免的是——當下的事物反映著來自過去的思想，並且注定將被未來所改變。以其實踐中創造「未來的遺物」而著稱，阿瑟姆同時也在探索現實與虛構，以及毀滅與創造之間的對立。

與全球知名高端旅行箱設計品牌日默瓦合作，此限量版的拍品重新開啟日默瓦的經典旅行箱；從品牌檔案喚醒於阿瑟姆作品中，藝術家以彷彿它是挖掘自一個未來考古發現的形式，將這個行李箱進行重塑，儘管是以原始的白色去做呈現。

With a noteworthy career spanning over a decade, New-York based artist Daniel Arsham has established a name for himself that exceeds any niche or discipline, touching each end of the art world spectrum. In thought-provoking and eye-catching work, Arsham has masterminded a multidisciplinary practice that exists in between art, architecture, and performance. Unpacking the world we live in through a range of mediums, the one thread that ties his work together is that of inevitably - that objects in the present reflect ideas from the past, and are destined to be transformed by the future. Renown for creating 'future relics' in his practice, Arsham also explores dichotomies between reality and fiction, as well as destruction and creation.

In collaboration with global premium luggage designer Rimowa, the edited present lot revisits an iconic Rimowa case. Bringing it back from the archives in his work, Arsham reinvents the case as if it were unearthed from a future archaeological dig, despite being presented in pristine white.
